

Sunnyside's Family Craft Night: Making Valentine's Day Cards

Thursday, February 2nd
6:00 to 7:30 pm
Sunnyside Cafeteria

Come join us for a fun evening of card making with your family! We will have supplies for kids and parents to make Valentine's Day cards together. Dinner and drinks will be sold from 6-6:30pm and the card making will happen from 6:15-7:30pm.

What You Need to Bring: markers, any recycled materials to share (wrapping paper, old maps/magazines/books/cards, swatches of wallpaper, glitter, buttons, ribbons, tin foil, and any other paper products or small decorations that you think can be used)

What We Will Provide: blank cards, scissors, glue, crayons, and many recycled materials to inspire your card designs

A representative from SCRAP, a nonprofit that promotes the creative reuse of materials that traditionally have been thrown away, will be there to share recycled materials and tips. To learn more about SCRAP, you can go to www.scrap-sf.org.

If you have questions, please contact Siobhan Fleming at siobhanflem@yahoo.com. We hope to see you there!
